How to invest

Whether you're a first-time investor or an investment professional, you can access our investment expertise in the way that best suits your individual needs:

Direct investment: You can invest directly as an investor or adviser with a minimum amount of \$25,000. You can apply online or using our paper application.

Invest via a platform: You can invest with us via a platform, which is generally offered through a financial planner. A platform bundles a range of managed funds and investments as one single product to provide consolidated administration, tax, and distribution reporting.

Perpetual High Grade Floating Rate Fund

About the Fund

The Perpetual High Grade Floating Rate Fund is a diversified portfolio of debt securities that aims to deliver regular income and returns above the Bloomberg AusBond Bank Bill Index (before fees and taxes). The Fund is managed by an experienced portfolio manager using an investment approach that seeks to identify quality debt securities while actively managing risk.

By investing in corporate debt, asset-backed securities (including mortgages) and debt-like hybrid securities and discount securities, Perpetual aims to enhance returns while substantially retaining low-risk characteristics.

Fund design

The Perpetual High Grade Floating Rate Fund is designed for investors who are seeking regular income and potential for returns above the benchmark on an ongoing basis (before fees and taxes), through investment in deposits, money market and fixed income securities, have a minimum investment timeframe of one year or longer and are comfortable with the risks associated with the Fund. The Fund has a risk level of Low to Medium*.

Why invest with Perpetual?

Perpetual has been managing investment portfolios since 1966 and has some of Australia's most experienced and specialist investment managers.

Our disciplined process of identifying high-quality, attractively valued investment opportunities, has been tested and proven in Australian equities for 50+ years and the fixed income process has been developed and refined for over 20 years with proven results through different market cycles.

We actively manage the investments of our clients, based on fundamental research and analysis. The senior fixed income team at Perpetual have more than 100 years' combined experience in investment management and have worked together as a team for more than 20 years. Furthermore, we have continued to invest in the quality and depth of our team.

What are the risks?

All investments carry risk (such as market and economic risk and asset risk) and different strategies may carry different levels of risk. This Fund is predominantly subject to credit risk.

The relevant product disclosure statement or offering document outlines the significant risks that may affect your investment and should be considered before deciding whether to acquire or hold units in that fund. Your financial adviser can assist you in determining whether a fund is suited to your financial needs.

* As represented by the Standard Risk Measure (SRM). The SRM is based on industry guidance and is not a complete assessment of all forms of investment risk.
